Leicester

**Thank you for your donation to University Hospitals of Leicester NHS Trust**

Dear Dr Li,

During these trying times, we couldn't be more thankful for the support from the Leicester Chinese Community. On behalf of everyone at University Hospitals of Leicester NHS Trust we wanted to personally thank you for your generous donation of £4840.00 to support the work of the Trust in caring for patients, and to help purchase PPE items.

Your donation will ensure that the welfare of our patients and staff is supported throughout this difficult period. This means so much to us, the patients of Leicester's Hospitals and of course, our wonderful staff, who are continuing to work tirelessly making sure as many people as possible can stay safe and well.

Not only will your kind donation go towards supporting our staff in saving and protecting lives during these unprecedented circumstances we find ourselves in, but it has also let our staff know just how much respect and support they have from the local community.

An act of kindness such as yours help us to stand strong, get through difficult times and continue our vital work to save and protect lives. Thank you again for your kind donation. Your generosity is greatly appreciated.

With thanks and best wishes,

**Rebecca Brown**

Acting Chief Executive  
University Hospitals of  
Leicester NHS Trust

**Karamjit Singh CBE**

Chairman  
University Hospitals of  
Leicester NHS Trust
